

The Belle Glade Herald

Dr. Baker Renamed C of C President

Dr. Thomas P. Baker, a local chiropractor, was re-elected to the presidency of the Belle Glade Chamber of Commerce at a meeting of its board of directors Tuesday night.

Also elected were John W. Evans, Ovidia, vice-president, and Joffre C. David, Orlando, secretary-treasurer. Executive committee of the FFVA will include Wedgworth as chairman, Evans, David, J. Andrew Cox, Princeton, Andrew Duda Jr., Ovidia, and Roy Vandergriff, Pahokee.

A large number of local vegetable producers, commission men, farm supply people and sugar cane growers attending the convention of the FFVA being held at the Americana Hotel in Bal Harbour.

A five day convention from September 19-23, Florida's largest agricultural convention is in its 23rd year.

(Continued On Page 16)

Wedgworth Named President At Convention

George H. Wedgworth of Belle Glade was re-elected Tuesday to the presidency of the Florida Fruit and Vegetable Association now in convention in Miami.

Also elected were John W. Evans, Ovidia, vice-president, and Joffre C. David, Orlando, secretary-treasurer. Executive committee of the FFVA will include Wedgworth as chairman, Evans, David, J. Andrew Cox, Princeton, Andrew Duda Jr., Ovidia, and Roy Vandergriff, Pahokee.

Reception Set For Candidates Next Thursday

A reception honoring democratic candidates will be held on Thursday, September 29th at the Holiday Inn from 7 to 9 p. m. It was announced by the Palm Beach County Democratic Headquarters, Representative Joel Davis, Chairman.

The public is invited to meet informally these democratic nominees and discuss with them any issues in which they are interested.

With the general election in November only a few weeks away, getting to know your candidates is most important, Davis said.

Refreshments will be served and no formal speaking will be on the program.

Case-Rate Holds Opening; Third Modernization Program

The Grand Opening, today of Case Rate Villers in its newly remodeled building and completely re-equipat and modernized interior will be the third remodeling of Case Rate since its beginning in 1949.

Case-Rate, an independent food store, began in 1949 with two employees, owners, Helen and Ed Brown. "Everytime a new super market came to Belle Glade," Mrs. Brown said, "I would say, well, let's get busy... we have to keep Case-Rate on the map."

In 1954, Al Mullaich, owner of the present Case-Rate building, erected a completely new building, and Case-Rate experienced its first face-lifting. After being located on Avenue A for 17 years, the Brownings agree "it isn't easy to move, out serving our customers with additional facilities, parking space, first, and

We are happy for this opportunity."

Mr. and Mrs. Brownings moved to Belle Glade in 1943. They have two daughters, Terry and Linda. Terry is a teacher and now studying on her masters at F. A. U. while giving invaluable assistance with the store department.

Employed by the Department of Justice in Washington, D. C.

During the coming farming season the Belle Glade Water works is expected to produce three million gallons of water per day. "The most we have ever produced," said Harvey M. Mathews, Supervisor of the water treatment plant, "is two and one-half million gallons."

"We were producing about one million gallons per day when I started to work for the department in 1960," continued Mr. Mathews, "at that time there was large

CONGRATULATIONS — George L. Connell, left above, is being congratulated following his election to the Belle Glade City Commission Tuesday. Commissioner George LeBran Williams, incumbent who did not seek re-election, extends the congratulations. The two are shown together Tuesday night following the counting of ballots which showed Connell receiving 535 while his opponent H. Bunn McCall received 475. (Staff Photo)

VISTA Workers Offer Assistance To Migrants

Two VISTA workers have arrived in Belle Glade to work with migrant workers coming from Providence, R. I. The other is Greta Quirk of San Francisco. Miss Quirk holds a B.A. degree in social work from Notre Dame of Belmont, Calif.

Vista workers volunteer for a one-year stint in this program and both Miss Mianus and Miss Quirk have been through a training course and have three months service.

Miss Mianus will be working with a teen club while Miss Quirk will be conducting a sewing class. Both these activities will be held at 491 SW Ave. B Place.

Miss Quirk is doing family counseling with special reference to welfare work. (Continued On Page 16)

Craig To Leave City Clerk Post Of South Bay

Herbert Craig leaves the City of South Bay as City Clerk at the conclusion of his work day Friday. Craig has served South Bay in this capacity since December of 1964.

A resident of Belle Glade for a number of years, Mr. Craig will assume his duties Monday as a clerk in the properties control department of the Belle Glade Corporation.

He resides at 724 SE Third St., with his wife and two sons.

A successor to Mr. Craig has not yet been named.

Two Area Firms Are Chartered

The chartering of two Original Equipment Parts Inc., 679 S. E. 2nd St., Belle Glade, dealing in retail merchandising. Incorporators are Robert D. Stokes and Ernest J. Paradis, of South Bay, and Alva D. Seyler of Belle Glade.

Belle-Marie Cosmetics, Inc., 179 Bacom Point Road, Pahokee, dealing in cosmetics, is incorporated. Its officers are Milton E. McKay, Ann B. McKay and Mary Jane Jones, all of Belle Glade.

Accident Victim Still Suffering

Greg Kljanec, 10-year-old local resident, is still suffering pain and spent a sleepless night Tuesday as a result of a diving accident Sunday according to his grandmother, Mrs. Loraine Webster.

Greg injured his leg and back he is being treated in the hospital at the University of Florida. He is expected to be discharged in a few days.

X-rays revealed no broken bones and the attending physician said he would re-operate again.

Continuing Expansion Of Water Department Keeps Pace With Growing Community

Class C rating in 1955 & by taking correspondence courses, Short Course training annually at the University of Florida he received his Class B Rating in 1961. He continues to take formal at least each year.

Mr. James A. Mathews, who assists Mr. Mathews has a Class C Rating and three years of experience in preparing for Class C Rating.

"No, the present improvement and expansion program will not solve all our problems," Mr. Mathews said, "Three million gallons per day is close to the capacity of existing filtering plants and the city fathers are equally effective in killing germs and bacteria but chlorine has a comparatively short life as it soon evaporates from the water.

The public is very sensitive about any changes in water treatment and before any new method is put into effect it is necessary to test it over a long period of time and evaluate every possible effect.

Low-cost Housing Plan Meets With Objection

Ag Station Finds Vacancies Hard To Fill

The Everglades Agricultural Experiment Station is having difficulty filling vacancies caused by the strong demand for qualified scientist in private industry and other states.

Of 22 science posts at the station there are six unfilled vacancies and another position will be vacant in October.

Another position is temporarily vacant due to Dr. V. E. Green being assigned to Costa Rica for a two-year period.

Dr. J. R. Iley left the station August 21, for private employment with W. R. Grace Company as sugar cane soil chemist doing research in sugar cane production in Peru.

Dr. F. H. Thomas left August 21 to accept a position as professor of soil chemistry at Abraham Baldwin Agricultural College in Georgia.

It is anticipated that one of the positions will be filled in November by a scientist who may become available at that time.

The vacancies are in the fields of Agronomy, Horticulture, Entomology and Plant Pathology.

Smith Inducted To Selective Service Board

Sydney K. Smith, Jr., was sworn in as a member of the Selective Service Board No. 149, Belle Glade at the regular meeting of the Board last Thursday by Mrs. W. K. Uim, Clerk of the board.

Recommended by Gov. Haydon Burns and appointed by President Johnson, Mr. Smith succeeded Luther Jones who served as Chairman of the Board from its original formation in 1940 until his death in June, 1966.

A resident of Belle Glade for 29 years, Mr. Smith came to the Glades from Fort Pierce to assist his father in the establishment of the Belle Glade Bottling Works, Inc., which he now owns and operates.

Although then known as Palm Beach Local Board No. 4, Mr. Smith is now a member of the same board which inducted him into the army during World War II where he rose from Private (Continued On Page 16)

Adams Leaving Asst. Solicitor Post In County

"The work was just too time consuming to carry on with my private law practice and I felt I could not accept a full time position with the County Solicitor," said Don Adams concerning his giving up the position as part assistant county solicitor for the Glades area.

Mr. Adams, 31, would be active in the law with his mother not made a 30 day sojourn in Georgia to be with the family doctor.

Married to the former Frances Wilson of Canal Point, he makes his home there with their three girls aged five, three and one. He holds the rank of Captain in U. S. Army Reserve. He is a graduate of the college of Engineering at the University of Florida and of the Law College at George Washington University in Washington, D. C.

Mr. Adams has served as assistant county solicitor for the past year. The duties of this office is now taken over by Jerry Stejskal of Palm Springs who is a full time assistant solicitor under Marvin Mounts who was elected County Solicitor two years ago.

Glades court cases handled by the solicitors office are fact that war is evil and tried by the same assistant solicitor.

Lions Club Sponsors 'Peace Is Attainable' Contest Here

The "Peace Is Attainable" contest of Lions International, being sponsored locally by the Belle Glade Lions Club, is one which will help to stimulate clear thinking and logical relation of ideas for those young people who enter the contest.

Throughout the history of the world, mankind has paid lip-service to the basic fact that war is evil and peace immensely desirable, yet a lasting peace has eluded their efforts.

In the "Peace Is Attainable" theme of this essay contest, it is hoped that some answers may be forthcoming. Adults who today rule the world have tried - and failed, he noted. Perhaps in the fresh, keen minds of the world's youth may lie the answer which will elude their elders.

The untapped resources of the world's youth is facing the challenge to do something really constructive which their elders have not been able to meet. This contest, the first really international attempt to examine the most compelling problem of our world, may well lead to

Beautification Meeting Slated

First meeting of the Belle Glade Beautification Committee since the vacation season will be held at 8 p. m. tonight at the Belle Glade Chamber of Commerce office, according to Don Philips, chairman.

Schedule of activities of the chamber's beautification committee includes:

Repainting 20 feet of palms on Main Street.

Boxing in and placing a border on the beautification sign.

REGISTRATION OFFICE

The office of the Supervisor of Elections will be open Monday, Sept. 26 and Friday, Sept. 30, from 8:30 a. m. to 9 p. m., according to Horace E. Beasley, supervisor.

The final day for registration is Oct. 1 and the attending office will be open all day for convenience of the public. Beasley said.

Proposed Project Said Not Answer To Housing Need

Low-rent housing project is not the answer to the housing needs of Pahokee. This is the opinion of residents of the Everglades project as well as some members of the Glades Property Managers Association, Inc.

Members of the GPMA Monday voiced their disapproval of a proposed 400-unit low cost housing project now under study by the Pahokee Housing Authority. The project is expected to cost two million dollars.

The group, headed by Stanley Hooks of Canal Point, voiced its disapproval at a meeting of the City Commission in Pahokee on Monday night.

The GPMA claims that the government-financed project will be built with private enterprise. Funds for the project is expected to come from a Housing and Urban Development grant.

Construction of the new facilities has been made possible by the condemning of facilities now being used to accommodate low rent tenants, according to James S. Vann, executive director of the housing authority.

Vann stated that a study had been made and it was found that remodeling of existing facilities to meet health standards would be more costly.

One resident of the Everglades, project said Negroes did not want the low-cost housing. He said they had opportunity to build their own homes.

Connell Wins North Borough Commission Seat

George L. Connell, local hardware store operator, yesterday pulled 535 votes to win the runoff election over his opponent, H. Bunn McCall, who tallied 475 votes, for the post of the North Borough Commissioner.

The new commissioner will be sworn in following the next regular meeting of the commission which will be Monday, September 26. He will assume his duties October 1.

Connell will succeed George LeBran Williams who did not seek re-election. Both Connell and McCall are newcomers to the political arena.

The new commissioner is a native of Plant City but has been a resident of the city for about 30 years. He was educated in the Pahokee schools and received his degree from the University of Florida. He is married and the father of three children.

He is a veteran of the Air Force and is a member of the Elks and the Methodist Church.

Mr. Connell joins Mayor-Commissioner Bill J. Bailey, Vice-Mayor E. F. Weathers, Aubrey Farmer and H. C. Bowen, Board members, elected last week from the Central Borough. He defeated Benny A. Richmond.

Of the absentee ballots cast for Tuesday's election, McCall received 11 and Connell received only three.

Republican Committee Schedules Meeting

A meeting of the Palm Beach Republican Executive Committee will be held at the Boynton Beach City Hall at 8 p. m. on Thursday, September 22.

Stella Tate, chairwoman, said the purpose of the meeting is to continue "our organization's efforts to elect Mr. Bates. Applications for membership to the committee should be in the hands of Stella Tate, five days prior to the meeting, according to the chairman.

Traffic Safety - Your Responsibility

Much has been said concerning traffic safety and much has been done to alleviate this great problem. However, traffic accidents continue to happen in growing numbers.

Because of the ever increasing number of accidents on the highway, community and governmental leaders are becoming concerned over the problem. Just last week a preliminary meeting was held to form a safety Council for Palm Beach County.

According to statistics recently released, injuries caused by accidents cost the loss of 5,269,762 work days in Florida in 1965. Other statistics reveal that in Palm Beach County, traffic accidents caused 118 deaths in 1965 while other accidents caused 108 deaths.

The experts list three major factors in preventing traffic accidents. These include engineering, enforcement and education. There is not much we, as drivers, can do about the first two of these factors.

Manufacturers of motor vehicles are concerned over the increasing problem of accidents and are working to build in safety mechanisms to make for safer vehicles. The federal government is studying the problem of safer driving machines.

As for enforcement, the Florida Highway Patrol

does an excellent job in trying to enforce driving regulations and laws. The FHP also is continually working at educating the driver of the dangers of the highway.

In the final analysis, the solution to the problem of traffic accidents is the responsibility of us, the motorists. There are several things we would like to suggest which we should do.

First, we should recognize the dangers that face us when we get out on the road with a vehicle. Then drive cautiously and never take any unnecessary chances. Drive defensively, trying to anticipate the other driver.

Second, know the vehicle we are handling. Know its capability and at the same time know its limitations. We should not expect more from our car than it is capable of giving us.

Thirdly, driving while under the influence of alcoholic drinks is one of the major causes of accidents, we are told. Therefore, driving while under the influence of alcohol should be avoided.

Until each of us as drivers take our responsibility seriously, accidents will continue to happen. It is hoped that soon, all drivers will realize and accept their responsibility and that safer driving days are ahead for all of us.

SENSING THE NEWS

EXECUTIVE VICE PRESIDENT

Southern States Industrial Council

RECESSION AND RECOVERY

Within recent weeks, economists and financial writers have begun to voice deep concern about the economic outlook, saying that a recession is possible if not actually likely. Across the Atlantic, Prime Minister Harold Wilson of England went further. He warned that a world wide depression, with widespread unemployment, could occur.

At home, President Johnson announced what he termed a broad attack on rising inflation. In a special message to Congress he proposed a 16-month suspension of the 7 per cent tax credit for corporate investment in new plants and equipment. He also asked for a similar rollback of the accelerated tax write-off for depreciation of industrial and commercial buildings.

Now, let's look at the situation and at the President's proposed remedy. The outlook is disturbing, for investors clearly are gloomy about the immediate future. A jittery stock market is the result, with major corporate securities suffering heavy losses in value. Meanwhile, the general public is becoming increasingly apprehensive as prices increase for necessary commodities.

If a recession takes place, it will be the most unnecessary recession in history. The American people are hard-working, energetic and progressive in outlook. They supply a tremendous demand for the new goods and services developed by U. S. free enterprise. Young people now in college — where they are acquiring valuable skills for the age of automation — will want new homes, new cars, new appliances. This demand should provide a great deal of prosperity in the years ahead. The educated youth of America form a highly productive segment of our society. Their drive and imagination should further enrich the American way of life.

But this isn't the entire story. The productive groups and forces in American life are not dominant on the political scene. There are, one is sad to say, counter-productive groups and forces. A segment of American voters — and they are highly organized, militant and demanding — is crying out for more federal welfareism. This segment of our society wants to be carried along at taxpayers expense, instead of helping support the government.

To be specific, there is a tremendous demand from the slum areas that the federal government spend billions of dollars in reconstructing urban areas where the residents — as a point of fact — have done nothing to abide by reasonable standards of residential behavior. In Chi-

cago, so-called "tenant unions" have been formed. Residents of slum districts are seeking to bind landlords to contracts. But the contracts are one-way affairs. Tenants are unwilling to assume any responsibilities on their part.

In New York City and other great metropolitan centers, the hand-out hungry element in our society is politically powerful. Blue voting by the aspirants for hand-outs causes Big Government to bow to their wishes. Money is lavished on welfareism instead of being saved or devoted to constructive investment.

Here we come to Mr. Johnson's so-called "remedy" for inflation. His miracle cure is to make it more difficult for corporations to invest in new plants and equipment. Yet it is precisely this investment that creates new jobs and adds to the importance of old job opportunities. Mr. Johnson's proposals thus further undermine the confidence of business in government's intentions. The first thing to be curtailed by the Great Society is industry's chance to grow and expand.

Why didn't Mr. Johnson propose instead that welfare spending be cut back and all manner of wasteful government handout programs be curtailed? The answer is simple: It is that Mr. Johnson is thinking about the votes of the handout-seekers. He appeases them while he jeopardizes the economic security of the country. This kind of appeasement is what could bring on a recession or worse in this country. It is a prime example of counter-productive political action.

If recession is not to hit the United States it is imperative that more congressmen be elected who will speak for the productive groups and forces in American life. It is interesting that he fall congressional election is coming at a time when the economy is approaching a crisis. The election could be the last opportunity the responsible citizens of America have to restore the voice of the productive in the councils of government.

LETTERS TO THE EDITOR

Dear Editor:

The following article should be printed on the front page of every newspaper in the United States:

This was written by Professor Alexander Tyler nearly 200 years ago while our 13 original colonies were still a part of Great Britain. He was writing at the time of the fall of the Athenian Republic over 2,000 years earlier. This is quoted verbatim.

"A democracy cannot exist as a permanent form of government. It can only exist until the voters discover that they can vote themselves largest from the public treasury. From that moment on the majority always vote for the candidate promising the most benefits from the public treasury with the result that a democracy always collapses over loose fiscal policy, always to be followed by a dictatorship."

"The average age of the world's greatest civilizations has been 200 years. These nations have progressed through this sequence:

1. From bondage to spiritual faith.
2. From spiritual faith to great courage.
3. From courage to liberty.
4. From liberty to abundance.
5. From abundance to selfishness.
6. From selfishness to complacency.
7. From complacency to apathy.
8. From apathy to dependency.
9. From dependency back into bondage.

In a very few years the United States will be 200 years old. The cycle is average but is not inevitable. It depends on all of us.

Which sequence do you think we are in now?

Warren Battle

Uncle Dan From Doolie Says:

DEAR MISTER EDITOR:

I heard my preacher say once that nothing in this world never happened by what he called "coincidence," that everything in life was planned by the Lord. Natural, I got to believe my preacher, and for that reason I figger this little matter that happened to me last week was the Lord's planning.

But first off, I want to say I'm again this habit some folks has of going to another town or the big city to buy stuff. When I have to borrow money, which is about twice a year, I don't go to the bank in the next town. And when I die I'm practical certain if any tears was shed they would be shed by my neighbors and home folks.

But the wimmen folks was the worst offenders in this matter. They figger the shopping pastures was always greener some place else. My old lady, fer instance, ever now and then was ordering a item from a mail order house. Last week the mailman bring her one of them fancy frying pans that don't need no scouring. It was wrapped up scraps of old newspaper and on one piece you could see the date, Monday, September 9, 1963. I got to looking at it and they was a short article saying President Kennedy was worried over the surplus of wheat, that the nation's grain elevators and storage places was filled to capacity, and the Government was allowing the sale of wheat to them Russians on account of we had

no place to put it.

The same day the mailman bring my old lady's frying pan, he fugged my pamphlet from the Department of Agriculture and I reckon, Mister Editor, that's where the Lord's planning come in. My pamphlet said we was running into a bad shortage of wheat and it looked like we was going to have to put more acres in wheat on account of the Russians had contracted to buy all Canada's surplus wheat for the next three years and Canada was the only other country in the world that had any wheat to spare.

And us ole footlog and briar patch boys has got enough experience in these matters to know any time this country gits short on wheat the price of bread and flour was going up. Parthnermore, you don't have to be no footlog expert to know, when we put more acres in wheat, we was going to have to cut down on feed for cattle and hogs and the price of meat will gitt sky high.

It ain't going to hurt the farmers and ranchers that raises and grows their own, but it'll be mighty hard on you city folks and I want to extend my deepest sympathy to you, Mister Editor, at this time.

It's like the system we got fer developing machines that does all the work and at the same time running a billion dollar program fer unemployment.

Yours truly,

Uncle Dan

And he said unto them, Where is your faith?

—(Luke 8:25)

There is power in prayer—faith is a life-giving force. Let our faith be in God and His Power to heal. Our strong faith, and our unwavering stand for truth have great effect. Through our faith we are a channel through which God's healing work is done. Our prayers help us to stand firm to rise up in the assurance that healing is God's will and that with God all things are possible.

SUNDAY'S SERMON

FRIENDSHIP

On what foundation do you build a friendship? Does friendship wane when someone disagrees with you?

Many of us consider a friend someone who likes the same things we do, who belongs to the same organizations, and who, as the saying goes, "our kind of people."

Within the structure of a true friendship, there should be room for a difference of opinion. Friendship does not require the submission of honesty and conscience.

Do you disagree with a friend when you know that he is wrong in an adopted course or attitude? You should. In return, you should give some credit and consideration to his ideas and opinions and not become upset merely because they differ from yours.

Count your friends and you may find some indication therein of the measure of your own character. It is not enough to count "best friends" and then count "good friends" and "just friends." These are categories within your own mind and you can never be sure you are placing a friend in the category he would place himself.

You might take another approach. Count the people you believe look upon you as a friend. If you do this honestly, you will have another measure of your own character.

Head Count

The total U. S. resident population as of June 1, 1966 was 192,644,000 — an increase of 2,492,000 or 1.3 per cent over June 1, 1964, according to Census Bureau estimates. The new figure represents an increase of 14,320,000 or 8.0 per cent since April, 1960.

Mrs. Bill Bailey Named Chairman Of Hospital Ball

The Women's Auxiliary of Glades General Hospital made plans for the new year at the September meeting held recently in the cafeteria of the hospital.

This was the first regular meeting of the current year. Mrs. Roy Brown, president presided. Among the plans and projects discussed was the "Hospital Ball" which will be sponsored by the group to be held October 15. Mrs. Brown appointed Mrs. Bill Bailey as overall chairman. Previously the outstanding project of the Auxiliary was the annual membership drive.

Among other business, the auxiliary members agreed to sponsor a bowling team for the nurses at the Tri-City Lanes.

A letter was read from Mary Sheverson thanking the auxiliary for the nursing scholarship awarded her. She has completed her education and is now an RN at Glades General Hospital.

It was announced the scholarship this year was awarded to Patricia Williams, who is attending Gulf Coast Junior College in Panama City.

Mr. Ben Clark, Hospital Administrator, present for the meeting, and speaking for himself and the hospital personnel said, "they would like to have the Pink Ladies back in full force, as only a few had been working this summer."

Refreshments of brownies and coffee were served to 30 members.

Jodie Averill Heads Jr. Class At Rosarian

Miss Jodie Averill, a student at Rosarian Academy, West Palm Beach has been elected president of the Junior Class, and was also elected to the student council.

Last year as a sophomore, Jodie was the class president. She is the daughter of Mr. and Mrs. Grant Averill of this city and formerly attended Belle Glade School before enrolling at Rosarian.

The centerpiece was a gold bud vase and yellow roses. The white cake was decorated with yellow roses and gold leaves, with the base in green, carrying out the worthy advisors colors of gold and green. Cake, punch, nuts and mints were served by the hostesses, Mrs. Pearl Taylor, Mrs. Jane Perez, Mrs. Gary Snow and Mrs. J. C. Betts.

Bridal Shower Compliments Joyce Dadson

Miss Joyce Ann Dadson, bride-elect, whose marriage to Arce Salvador will take place October 2, was honored with a bridal shower, Thursday, September at the Cottage Grill.

Mrs. Ken Perkins and Miss Linda Huggins were hostesses for the lovely occasion.

The punch bowl featured the centerpiece, surrounded with Vanda orchids and fern on a lace table cloth with a lavender background. Vanda orchids were also placed about the room in different arrangements.

Miss Dadson's corsage was of Triana Cattleya orchids and Mrs. Robert Dadson and Mrs. Manuel Salvadors corsages were of Vanda orchids.

Punch, cake, nuts and mints were served to the many friends and relatives of the honoree.

Mr. and Mrs. Roscoe Harris of Mount Pleasant, Iowa arrived here this week for a brief visit with his mother, Mrs. Bettie Harris and other relatives.

Pioneer Wedding - A'La 1966

Though our cultural civilization in the Glades area, as we know it today, is less than 50 years old; just a few miles to the south in the wilds of the Everglades known as the Big Cypress Swamp is an area accessible only by swamp buggy or horse back which was the scene of a modern day pioneer type wedding Saturday, September 10, 1966, when Miss Sandra O'Brian became the bride of Gerald E. Frier, both of Belle Glade.

The unique but impressive double ring ceremony was performed by the Rev. Edward Leader of the Brighton Indian Reservation of Okeechobee before an arch of relatives and close friends. The setting was under the huge oaks at the Frier cabin, surrounded by cabbages, palms and tall grasses.

The bride, daughter of Mrs. D. L. Drake of Grandville, Vermont, was attired in knit avocado capri pants with an off white tunic type over blouse, trimmed with avocado fringe with pink and green embroidery on the front. Her only attendant was her sister-in-law, Mrs. Carlotta O'Brian, dressed similarly in pink and white sportswear.

The groom, son of Mr. and Mrs. Cliff Frier, and grandson of Mrs. Jessie Frier all of Belle Glade, was dressed in a new suit by Mr. Harley Hollingsworth. Both the groom and the best man were dressed in Western shirts, wranglers and boots.

The minister and his wife,

both in typical Seminole dress added much to complete the picturesque setting. They were motored to the wedding in an enclosed vehicle, capable of woods travel, by Mr. and Mrs. John Eaton and family of South Bay, close friends of the bride.

Except for the groom's mother and grandmother, who were regular summer afternoon dresses all the guests were in outdoor sport wear.

Following the ceremony a festive Barbecue with all the trimmings, including swamp cabbage and of course the traditional wedding cake was served buffet style to some thirty odd guests, including: Mr. and Mrs. Rupert Young and son, Mark, Mr. and Mrs. M. H. Holton and daughter Kathryn, Mr. and Mrs. George Whidden, son, Louis and his guest Miss Annie Rioson, Mr. and Mrs. Buddy Ramsey, Mr. and Mrs. Alvin Glass, Mr. and Mrs. Ted Johnson and Miss Robin Thomas all of the Belle Glade, Pahokee, South Bay area.

Following a few days stay at their cabin where they will enjoy horseback riding and fishing the bride couple will make their home in Belle Glade where Mr. Frier is employed in the offices of Herb Wieser & F & W Farms and Mr. Frier will resume his duties as a lineman with the Florida Power & Light Co.

And incidentally, just for the record the bride did wear Boots.

Engagement Announced

Mr. and Mrs. Robert E. Dadson announce the engagement and approaching marriage of their daughter, Joyce Ann to Arce Salvador, Jr., son of Mr. and Mrs. Manuel Salvador, Sr., of Belle Glade.

Miss Dadson graduated with the class of 66 from Belle Glade High School, where she was a member of D. C. T. class. She is presently employed by Glades Correctional Institute.

Mr. Salvador also graduated from Belle Glade High School in the class of 65. He belonged to the D. C. T. Club and is currently employed by Okeelanta Sugar Refinery, Inc.

The couple has chosen Sunday, October 2 as their wedding day. Rev. Elard of the First Baptist Church will perform the double.

Mr. and Mrs. Jerry Edwards and children Greg, Lisa and Cheryl recently visited with their parents, Mr. and Mrs. Grady Edwards enroute to California where he will be employed for a indefinite time at Camarillo, Mr. Edwards has been at Cape Kennedy for about three years. He is an engineer; for Radiation Co.

South Bay News

**South Bay School
PTA Elects
New Officers**

The South Bay Elementary School Parent-Teachers Association held its first meeting of the season Monday night. Officers taking charge this year were Mrs. Lester Conway, President; Mrs. Byron Walker, vice president; Mrs. O'Neal Walker, secretary; Mrs. Lucille Rudder, historian; and Mrs. Richard Miller, Treasurer.

Harry L. Davis, the new principal was introduced by Mrs. Conway; and Mr. Davis in turn presented the faculty members.

Plans for the Halloween Carnival to be held Saturday, Oct. 29, were discussed and the different Carnival chairmen were named. The motion was passed to buy a washer and dryer for the lunchroom use.

Mrs. Summers' 3rd grade class and Mrs. Willis' 5th grade class won the room count.

**Sheila Allen
Celebrates
7th Birthday**

Sheila Allen, daughter of Mr. and Mrs. Linda Allen celebrated her seventh birthday at a birthday party at her home in South Bay Friday afternoon.

Guests attending were Vickie Hodges, Linda Gunter, Brenda Groves, Ken Gunter, Debbie Younker, Bret and Michele Conner, Paul, Ricky and Willie Burkett.

Everyone was served birthday cake and treats by Sheila's mother and several games were played during the evening.

**Baptist Revival
Well Attended**

The South Bay First Baptist Church ended its revival service this week. Reverend Glenn Collins of Ft. Meade was conducting the revival.

Reverend R. L. Polk reported three members joined during the service and that it was a very successful and well attended revival.

**Marvin Davis Takes Over
As New Mayor Of South Bay**

Austin, commissioner of streets and parks.

The new mayor said that in order to continue growing and to take care of the needs of the municipality there may be a millage increase over the present 8 mill rate.

Residents who desire their real and personal property assessments checked by the commission were advised to attend the scheduled meeting for 8 p. m. Sept. 27.

Following the meeting Mayor Davis said a special meeting will be made Monday night to work on the new budget. The new board of directors will be prepared according to City Clerk Herbert A. Craig who has resigned his post effective Sept. 24.

Plans for the Halloween Carnival to be held Saturday, Oct. 29, were discussed and the different Carnival chairmen were named. The motion was passed to buy a washer and dryer for the lunchroom use.

Friendship Through The Years Developed By Early-Day Tragedy

During World War II the Royal Air Force of England trained some of their British pilots at Riddle Air Field in Clewiston. The reason is obvious: it was here, England was being bombed by the Germans.

Two young boys, one of whom was only 17, were out for a night flight practice late one night in May, 1943. Some of the boys were killed and they crashed close to the

boys were Thomas Calderhead of Methil, Fife, Scotland, and Horace Bowley-Booth of Staffs, England.

After the boys passed on, Mr. and Mrs. Ralph Kidder, who lived at the Experiment Station, secured the names and addresses of their parents from Riddle Field.

The Kidders wrote to express their comfort and sympathy. They visited the graves of the young soldiers in Arcadia and planted some Scotch heather the children had sent. All this meant much to parents who were thousands of miles away and felt helpless.

Correspondence has continued all these years. As a small token of appreciation the Kidders sent a calendar of lovely Scotland scenes each year.

Scotch friends of the Kidders have visited the Kidders in Belle Glade, and now Mr. and Mrs. Kidder are expecting Mrs. Jessie Wallace, sister of Thomas Calderhead, the last of this month. Miss Wallace has been working and visiting in the Northwest.

Chuck Johnson stationed at Fort Dix New Jersey, is home on two weeks leave. Mr. and Mrs. Matt Prewitt and son Stephen, and Ben Prewitt or Orlando spent the weekend with their parents, Mr. and Mrs. W. C. Prewitt.

Mr. and Mrs. John Prewitt arrived Sunday to visit their parents Mr. and Mrs. W. C. Prewitt. Since John graduated from the University of Florida they have been vacationing in the North Carolina Mountains.

**Jr. Museum, Planetarium
Adds Science Teachers**

The Palm Beach County School Board has announced a new program. Two science resource teachers have been appointed to serve permanently at the Junior Museum and Planetarium.

Visits will be coordinated with the Science program in the elementary schools.

Also, whereas in the past

visits have been optional, this year all 2nd, 4th, and 6th grades are assigned a day to visit with bus transportation arranged. Grades 3 and 5 may visit the Norton Gallery of Art.

More than 40 schools have qualified to take part. It is being mainly financed with Federal Funds under Title 1 of the Elementary and Secondary Education Act.

By Doyle Conner

A conference designed to provide a common meeting ground for discussion of agricultural problems in Latin America and Florida has suddenly developed into a permanent organization.

As a result, Florida's agricultural industry will play an even more important role in helping our Latin American neighbors in the fight against poverty and famine.

It came about this way. The Florida Department of Agriculture had felt for some time that there was a great need to strengthen the trade relationship and to improve the communication between the agricultural industry of this State and the Latin American nations.

It was decided that the best course of action would be to invite the Ministers of Agriculture of those countries to Florida so that we could discuss our mutual problems and opportunities.

Thus, was born the Florida-Latin American Agricultural Conference.

The document includes a provision for a cooperative program between Florida and Latin America which will improve agriculture in the Western Hemisphere.

Another point is the belief expressed by the delegates that it is the responsibility of highly developed nations to assist the lesser developed countries with technical information and support for the betterment of the Hemisphere.

The document states, too, that the obligation of the lesser developed countries to seek assistance and to work toward the improvement of their economies, social and cultural structures.

The Declaration also includes provisions for cooperative research and specific programs, aimed at controlling agricultural diseases and pests in the Western Hemisphere, joint efforts to solve mutual marketing problems, and the exchange of technical information, assistance and personnel.

The document calls for the creation of a permanent organization, the name of which is "The Latin American-Florida Agricultural Organization," and specifies that the organization shall be organized at least once a year on a rotating basis among the member governmental unit.

Under the agreement, a permanent office will be established in Florida. It will serve as the headquarters for the organization and will be the clearing house for information.

It also expresses the desire of the participating members that these conferences become a permanent forum for agricultural problems of the Western Hemisphere.

It is highly gratifying that Florida has been chosen the permanent site for the home of the newly created organization.

De Interes En El Glades

Varias niñas Cubanas y Americanas desean tomar clases de Ballet un día a la semana en Belle Glade. Se ruega a cualquier muchacha de experiencia, sea tan amable que nos ofrezca sus servicios, y entre todas las madres dispondrá el salario que se le pueda ofrecer.

SLIMNASTICS:
Gimnasia para señoras, comenzará el proximo lunes a las 8:00 am. en tres sesiones diferentes:

Lunes y Viernes, por la mañana 8:30 a 9:30 am. Mrs. Rheta Cunningham será la instructora. Martes y Viernes, de 3 a 4 de la tarde. Mrs. Fina Larrondo instruirá al grupo de la tarde.

Una tercera clase se está planeando por las noches, con el uso de una maquina eléctrica. Todas las mujeres de area interesadas en el uso de esta maquina, debe pagar \$10 de matricula. El costo de las clases es \$1 por persona y tendrán lugar en el salón del Parque de 8-12 y de 1-5 pm. para inscribir sus nombres y comenzar.

Sept. 24 y 25 en el Palm Beach Towers, es la convención de la Florida Women's Press Club cuya convención culminará en un banquete el sábado por la noche, donde las ganadoras de los servicios funerales serán anunciadas.

El orador del banquete será John H. Jerry, Jr., presidente de PERRY PUBLICATIONS, Inc., que son los editores del Palm Beach.

Mitín Del Altar Society
El mitin mensual del Altar Society en la Iglesia St. Philip Beniti tuvo lugar el 18 de Sept. a las 8 de la noche en el Hall de la Iglesia.

Monsieur Jose M. Juárcita, abió el mitin con una oración. Haciendo un saludo a la Bandera Americana. Y presente se hallaban Mrs. Rena Hotard, presidenta; Mrs. Vivian Miller, secretaria; Mrs. Sue Murphy, vicepres.; y Mrs. Judith Wehre, tesorera.

Asistieron Albina Friedheim, quien se hace cargo del retiro espiritual Anne Youghels, Grace Wilson, Hil da Amedee, Virginia Silvers, Mary Lou Bowen, Laura Lockmiller, Sister Margaret Theresa, y Sister Gabriel Marie.

Mrs. Wehre dio un resumen de los gastos y de la ultima reunion catolica en el Cenacle Retreat de Lantana. Se considero la designación de una delegada oficial para la Convención Nacional de Mujeres Catolicas, que tendrá lugar del 5 al 8 de Octubre en el Hotel Fontainebleau de Miami, siendo electos en votación Mrs. Vivian Miller quien para acto de presencia en la convención el día 7 de Octubre, acompañada por Mrs. Friedheim, Mrs. Wehre y Mrs. Murphy. En el Fontainebleau tendrán exhibiciones, exhibiciones y una tarde cultural.

Mrs. Hotard consulto con varias señoras presentes sobre los problemas del Altar Society que había que resolver. Mrs. Lockmiller habló sobre la falta de transporte para recoger niños de South Bay, Osceola Center, Chosen, etc. Se habló sobre las necesidades de dirección para las girls scouts. Del plan de tener un Rummage Sale. Venta de ropa de uso de ropa de niños, y cortinas descartadas.

Mrs. Murphy habló del procedimiento parlamentario que las ayuda y provee de dignidad, decorum y respeto. Mrs. Friedheim habló del Retiro en el Convento Cenacle (cuya palabra proviene de la palabra "Cenacle")

De La Iglesia
25,000 Refugiados Cubanos honraron a la Virgen de la Caridad, patrona de Cuba el domingo 8 de Septiembre, en el St. Philip de Miami.

LA ROSA BLANCA

Los derechos se toman, no se piden; se arrancan, no se mendigan.

(Por Roberto Cañedo, José María)

CARMEN LA DE RIONDA

(por Sarita Montiel) (Color)

TODOS NINOS CUBANOS DEBER VER ESTE FILM.
Jose Martí, nuestro Apóstol y promotor de la Guerra de Independencia de 1895, tuvo una gran devoción por el pueblo norte-Americano que expresa cuando habla de la catedral del alma americana en la muerte del presidente Garfield. Martí amo la Iglesia Cristiana y amo a Dios y a los niños por encima de todo en la tierra. Washington, Martí y Bolívar son vivos ejemplos de libertad.

Fue Martí escritor notable orador elocuente, poeta de gran sensibilidad pero sobre todo fue un PATRIOTA, y su amor por Cuba es el centro de su vida y su obra.

CATECISMO:
El schedule para las clases de catecismo para los niños de los grados primero al septimo, será el siguiente:

Comenzando en Sept. 26:
Lunes (3:30) Grados 4, 5 y 6.
Miércoles (3:30) Grados 1, 2 y 3.
Miércoles (3:30) Septimo grado.

Hasta el día 5 de Octubre no comienzan los grados mayores: 8, 9, 10, 11 y 12 sus clases de religion nocturnas.

Este año, cada padre debe llevar a sus hijos, y si no les es posible, por favor llame a Mrs. Silvio Garcia 994-6526.

Capable, Courteous Staff Features Case-Rate Villere

Edd and Helen Browning, owners of Case-Rate Villere, in opening the newly modernized Villere, offer a capable and courteous staff of employees under the management of Lenwood Fuller who has been store manager for the past nine years.

Mr. Fuller joined the Case-Rate in November, 1954, and "has always had great concern for customer service." Of the new Villere with its many new facilities, he said, "Our plans are to have one of the finest stores in Belle Glade, and we invite everyone to come in and see our new store."

Jimmie Bunn, meat market manager, who has been with Case-Rate for three years, said, "Our meat is the best... only U. S. Government graded Choice is ever received in our market. I am so excited and enthusiastic about our improved meat department, I don't know what to say."

Manager Bunn will be assisted by Alex Matthews who is moving here from Eau Gallie to accept a position in the meat department. Wayne Boswell, a two-year employee, will man the packaging department. Other employees of Case-

Rate are: Mrs. Sarah Lowery who holds the record for length of service with 13 years, and Mrs. Jo Christian are cashiers. John Brannon, also with the Case-Rate for many years, will serve as assistant to the manager. Norman Ford, son-in-law of the Brownings, will head the produce department, and assist the manager. He said, "It's like this — no less than the best." Larry Harrell, a new employee, heads the delivery department.

New employees who are joining the Villere include Alex Matthews, Mrs. Maria Alvarez, Mrs. Lenore Spurlin, Mrs. Aleese Cherry, Mrs. Dorothy Kelley, Mrs. Patsy Yarnell, Mrs. Mary Lee Cole, Mrs. Karen Dunaway, Billy Barrett and Miss Rob Brown.

Six DCT students are also participating as trainees. These are Brenda Freeman, Joyce Martin, Sue Atkinson, James Eberitt, Jimmy Philz and Johnny Mulligan. "Guest employees of Certified Grocers, Ocala, have contributed endlessly in assisting Case Rate Villere and its employees in the quality store operation," Mrs. Browning said.

Certified Grocers Assist In Case-Rate Opening

Case-Rate Villere, a member of Certified Grocers, Ocala, has under their direction and supervision sought to bring to the Everglades and Belle Glade the finest food shopping center in both prices and service. The Brownings and employees of Case-Rate Villere recognize the tremendous asset of being a member of this well known grocer cooperation and have reached this grand opening only through and because of the tremendous efforts and help given to them. "Certified Grocers you are too wonderful!" said all Case-Rate!

Pink Mini Money Featured at Opening

Pink Mini money an original plan for sharing with customers, is being introduced at the GRAND OPENING of the CASE-RATE VILLERE today. The customer will receive with purchases Pink Mini money representing an actual trade value for gift merchandise at The Driftwood now moving to 340 West Ave. A. the former location of the Case Rate. Pink Mini money spends just like real money. Mrs. Martin designed the money and Belle Glade Herald the printing.

Name 'Case Rate' Coined In 1949

Case-Rate was coined in 1949 at the beginning of the store operation to tell one story — that groceries were being sold by the "Case." The owners, Helen and Ed Browning, operators then of a wholesale grocery and produce business were put out of business by a treacherous hurricane. Original displays were cases stacked high featuring 10c salt for 5c, etc. "Case-Rate, the Cash-Rate, Cut-Rate food store" was a favorite jingle for many months as "the Browns sold groceries by the case. George Royal's Super Market was then strong competitor.

Case-Rate, now in moving to its beautiful new Early American structure building so beautifully remodeled by Royals, Inc., the owners, has given Case-Rate an added name — "THE VILLERE" (another original coined word) with intent to mean "your village food shopping center." Welcome now to the "Case-Rate Villere."

VA Reminds Vet Dependents Of Eligibility

ST. PETERSBURG — M. T. Dixon, of the Fla. Dept. of Veterans Affairs, stated today that many years after the law was passed, many widows and orphans of World War II and Korean Conflict veterans are unaware of their eligibility to pensions paid by the Veterans Administration.

The pensions range from \$27.00 monthly to \$64.00 monthly for widows; \$43.00 to \$80.00 for a widow with dependents and for each child, \$15.00 per month is added. The pension of orphans is \$35.00 monthly. The benefit may be payable to the veteran's child or children, even though the widow is not entitled to the pension because she remarried or her income or net worth exceeds certain limits.

Income from other sources must not exceed \$1800 yearly for the widow, and \$3,000 annually for widow with a child or children. The income limit for orphans is \$1800 yearly exclusive or earned income.

Sales Taxes Up

TALLAHASSEE — State Comptroller Fred O. (Bud) Dickinson, Jr., today announced that sales and use tax collections in August totaled \$22,678,579.

Dickinson noted in the monthly report that revenues from sales and use tax, as well as gasoline and sporting goods taxes, were up over this month's totals of last year.

Dickinson said records of the State Revenue Commission indicated that gasoline tax collections for August totaled \$13,576,887. Florida five per cent wholesale sporting goods tax raised \$105,824, the Comptroller added.

Sales and use taxes were up \$1,622,546 over August collections of 1965 — a gain of 7.7 per cent, noted Dickinson.

Calendar year sales and use tax collections to date total \$200,646,453 — an 8.45 per cent increase over collections during a like period last year.

Gasoline tax collections for August were up \$338,078, or 4.12 per cent above August collections in 1965. Revenues from the sporting goods tax were up \$26,576 or 33.53 per cent over collections during the same month last year.

Old Age Aid Given

To 2,553 Countians

The Rev. Paul M. Cassen, chairman of District Ten Welfare Board of the State Department of Public Welfare reported that during the month of August in Palm Beach County a total of 2,553 received Old Age Assistance in the amount of \$121,288. 129 persons received Aid to the Blind to \$38,491.

In addition 442 children received service during the month, 236 of whom were in foster homes. The total state and local cost for direct child care was \$15,915-29.

Airman Gist, Jr.

At Lackland AFB

SAN ANTONIO — Airman William T. Gist, Jr., son of Dr. and Mrs. William T. Gist of 1449 E. Main St., Pahokee, Fla., has been selected for training at Lackland AFB, Tex., as an Air Force air policeman.

The airman recently completed basic training at Lackland. A graduate of Pahokee High School, he attended Palm Beach Junior College, Lake Worth, Fla.

There were four adoption petitions studied for the Circuit Court. These are children placed in homes independent of service thru a licensed child placing agency, and the Welfare Board is responsible according to law to make these reports to the court.

Palm Beach County is represented on the District Ten Welfare Board by John F. Thomas, Jr., West Palm Beach, Mrs. Marion Bleech, Pahokee, J. T. McMurray, Delray Beach, Mrs. Lou Ann March of Boynton Beach.

THE OWNERS OF SIMMONS DAIRY, GREEN COVE SPRINGS, FLORIDA, SAY:

Electric Feeding Equipment saves \$10,000 the first year...

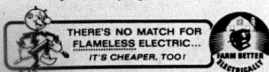

(Automatic chutes deliver feed to each cow station)

"Modern electric push-button feed equipment plus full use of electricity for many other jobs, such as grinding and storing, have helped us to stay in business when many other dairies have gone broke during the past few years," say Messrs. Paul and Steve Simmons.

"The cafeteria style feeding operation has resulted in a savings of \$10,000 the first year of operation and will be even higher this year due to increased production. These savings are from feeding and handling a herd of about 1300 head of cattle," declare the owners of Simmons Dairy.

Install electric feed handling equipment in your barns. It saves time and money... frees you for more productive and profitable activities.

Glades Courthouse Notes

By Mary Arthur Starling

BARBARA M. POPE

Mrs. Barbara M. Pope is Counselor for the Juvenile and Domestic Relations Court, covering the Glades Area west to the Hendry County line, north to the Martin County line and east to Twenty-Mile Bend. Mrs. Pope's duties consist of counseling girls to the age of 17 who have violated any state law, county or city ordinance; who have violated no law but are presenting problems at home and are brought by parents seeking help; who come themselves seeking guidance. As Domestic Relations Counselor, she investigates all complaints regarding dependent children and handles investigations of family histories and environment when custody is to be determined, as in divorce proceedings, upon the order of a Judge of the Circuit Court or Juvenile Domestic Relations Court and/or custody problems subsequent to a final decree divorce. All hearings are held in West Palm Beach.

Mrs. Pope has served in her capacity for the past five years, coming to the County Juvenile and Domestic Relations Court from the State Welfare Department. She and her husband, Lewis, who is engaged in Farming in the Glades area, live in Pahokee with their four children, Lewis, Norman, Sherman and Claire.

MIKE CHALLANCIN
Juvenile Court Counselor

Mr. Mike Challancin is Counselor for the delinquent boys up to the age of seventeen years old, in the Glades area. He was employed by the County in July of 1964, after graduation from Troy State University, Troy, Alabama. He and his wife are the parents of a four month old daughter, Lisa. Mrs. Challancin is a third grade teacher at Belle Glade Elementary School.

Different phases of Mike's work involve referrals received from all law enforcement agencies and schools, as well as parents in regards to truancies, runaways, incorrigibility, assault and battery, etc.

PHYLLIS WILKINSON

Phyllis Wilkinson, is secretary for Counselors Barbara M. Pope, and Mike Challancin, of the Palm Beach County Juvenile-Domestic Relations Court. Phyllis has been associated with the Court for six years. She and her husband, Ray, of Wilkinson-Cooper Produce, have lived in Belle Glade for 19 years, and have three children, Patty, Don, and Suzanne. Prior to coming to work for the court, Phyllis was employed by Sears Roebuck & Company.

Thousands of Floridians are unaware of the services offered by their State Agency — The Florida Council for the Blind. There are programs for children and their parents and elderly adults. There is vocational rehabilitation for adults able to be retrained or prepared for

employment; there are home teachers, Talking Book records and machines, Braille books and tape recorders. There are programs for children and their parents and elderly adults. There is vocational rehabilitation for adults able to be retrained or prepared for

Bamford, Glades Zone Reading Teacher; Mrs. Louise Brannon, Grade 4. Howard Lamb Photo

Belle Glade Chapter 197 OES Honors Worthy Grand Matron

At a special meeting of Belle Glade Chapter No. 197, O. E. S. held at Masonic Temple on Thursday evening, September 15th, Mrs. Onie May Stephens of Marina, Worthy Grand Matron of the Grand Chapter of Florida, was honored.

Proceeding the meeting a delightful banquet was enjoyed at the Country Club, which followed a Bible Theme. Place cards were used which contained on one side a recipe for Bible Cakes. A delicious turkey dinner was enjoyed. Mr. Ray Browne, Worthy Patron of Belle Glade Chapter served as Toastmaster.

Following the banquet the meeting was held at the Temple. The Lodge room was beautifully decorated featuring an autumn theme. The Worthy Grand Matron was introduced and was seated in the East. Past and present Grand Officers in-

troduced included: Mrs. Freda McEwen, Past Grand Matron and Grand Secretary, West Palm Beach; Mrs. Lucille Taunton, Grand Warden, of Freeport; Mrs. Annie Sanford, Past Grand Chaplain, of Tampa; Mrs. Virginia Bickler Past Grand Esher, West Palm Beach; Mrs. Eva Williams, Past Grand Electa, Okeechobee; Mrs. Grace Graham, Grand Instructor District 18, Pahokee; Mrs. Margaret Syrett, Grand Instructor District 27, Boynton Beach; Mrs. Ruth Meredith, Grand Representative to Missouri; Mrs. Lillian Leon ard, Grand Representative to Saskatchewan, West Palm Beach; Mrs. Evelyn Allen, Grand Representative to North Dakota, Belle Glade; Mrs. Mildred Dolby, District 27, O. E. S. Magazine Chairman, West Palm Beach, and Mr. Lowery Jackson, Knight Templar Eye Foundation Committee, West Palm Beach.

Worthy Matrons and Patrons introduced included: Mrs. Bernice Sheppard, Pahokee; Pauline Anderson, Sugarland, Clewiston; Bobbie Newsome, Northwood Chapter No. 266, West Palm Beach; Mrs. Mary Brannan, Palm Beach Chapter, No. 41, West Palm Beach; Mr. and Mrs. Ed McIntosh, Worthy Patron and Worthy Matron, Iretta Sherman Chapter, No. 145, West Palm Beach; O. A. Anderson, Sugarland, Clewiston; and Ted Jensen, of Palm Beach Chapter No. 41, West Palm Beach.

An appropriate courtesy to Sister Stephens was given by Brother Eglarice Johnson, Brother Ray Browne and Sister Mary McLendon, assisted by the Star Points. Each Star Point presented her a gift to go into a large basket. Miss Reba Browne sang an appropriate vocal number. The Charter was draped

Our City

Departmental Reports

The Belle Glade water department pumped 38 million gallons, during the month of August and the sewage department processed 38 million gallons of sewage. That is about half the water that will be pumped during the busy season. Making good drinking water of lake water required 92.2 tons of lime, 10.9 tons of alum (ugh), 2.9 tons of carbon, 1.5 tons of chlorine and 252 lbs. of sodium fluoride.

Harvey Mathews, James Motes, by knowing exactly what they were doing kept our water taps flowing with good drinking water.

The same report indicates that Belle Glade residents were on the move during the month with 110 meters being turned on and 68 turned off.

The building inspector issued only 20 permits during the month, of which 12 were for additions and repairs, one demolition, 5 electric permits, and only one dwelling and one business building being started. The street department was busy getting streets repaired and resurfaced for the farming season.

The police department kept the judge busy with 164 arrests of which only 16 were dismissed of 23 accidents reported. Eight failed to have vehicle under control and 6 failed to yield right of way.

The dog catcher picked up 15 dogs and had time to repair 12 street signs and install eight new ones.

The fire department had only nine calls and reported only \$105.00 in damage against \$5,800.00 for the same month last year.

The Marina collected \$350.00 in camping fees from 340 renters spaces and the Golf Course collected \$884.00 from 987 golfers registered to play. (Some pay annual.)

Monthly reports are important for department heads to fill out and indicate what is making these reports is about the most dreaded chore they have to do. This reporter thinks they do a good job and agrees that it is difficult to make interesting reading out of the fact that the street sweeper traveled 395 miles.

Case Express Owners Express Thanks To City

The big tree is gone! Beautification continues The city has been most generous in its effort to assist in a total remodeling of the corner at Avenue B and 4th Street. The parking lot of Case-Date Villere has been relined with two west entrances and one south exit. Mrs. Browning says, "We are very grateful to the City Manager, Mr. Hugueley, Chief Police Goodlett and Mr. Heath of the Maintenance Department."

Summer Institutes Attract Pupils

New Journalism Ideas Sought

Yearbook planning was the purpose of a week-long journalism institute at the University of Florida, on June 19-24, 1966.

Representing Belle Glade were Joey Hudspeth, Vickie Challancin, and Janice Blumenthal. They attended classes in annual photography, layout, management, and editing. In these classes, many new trends and styles in yearbooks were presented to the students.

Instructors for the institute were advisors of the top rated high school yearbook staffs throughout the state. Several lectures by

Four Attend Howey-in-the-Hills

Howey-in-the-hills was the destination of four students from the Glades area this summer.

English and study skills were subjects taken by Charles Nicks, Greg Jones, and Gail and Dayle Luce. Greg, Gail and Dayle also took a course in reading, and Charles took a math course. Gail and Dayle enjoyed an extra-curricular course in horsemanship.

St. Andrews Welcomes Jane

Students from all over the United States attended St. Andrews School, this summer to take part in a college prep course on "American Studies." Out of 250 applicants, Jane Zumpf, a senior, was chosen to attend.

The course contains four distinct phases. The first is "The American Ideal of Success," the second "Immigration," the third "The Depression of the 30's," and the final phase was "Civil Rights and Equality." The daily studies included films, lectures, and classroom discussions. The students visited Norton Art Gallery, Coconut Grove Playhouse, Florida Atlantic University

Faculty Enjoys Get-Together

To start the year off right the teachers treated themselves to a steak dinner on August 30. The dinner was held in the school cafeteria. Mr. Browning, having many talents, was head chef with his wife and daughter assisting.

Cecelia Attends University Of Tampa

Cecelia Enfinger attended the Summer Workshop Program at the University of Tampa. The purpose of this program was to prepare students for college work. Each student was strengthened in the three areas of English, math, and reading. This was a 7 week course which lasted from June 20th until August 5th. All students stayed in the dormitories on campus during their stay.

Randy Gains Knowledge

Randy Laks, a transfer from Coral Gables Sr. High, took college prep courses this summer at Stetson University. Attending from June 12-August 5, Randy gained six hours in English grammar and literature and three hours in math toward his freshman year in college.

Jr. Civitan Reorganized

The Junior Civitan reorganized for its third year on Friday, September 2. Fund raising projects to send delegates to the state convention in Jacksonville were begun.

Monthly meetings for the club are held on the third Thursday at 7:30.

The Beta Club will sponsor the victory dance after the Belle Glade-Pahokee game. They will also sponsor their annual St. Patrick's Day dance.

Mrs. Joan J. Lanier is the sponsor of the club. The officers are Mary Leigh Amerine, President; Janice Blumenthal, Vice-President; Dick Hooker President elect, Jo Ellen Hudspeth, Secretary; Margaret Thompson,

Boca Raton Begins Tradition; Forest Hill Samples Ram Spirit

A new custom with Boca Raton, similar to the one with Forest Hill has been initiated. At the Rams' first pep rally, Gerry Sullivan, president of the Boca Student Council was a guest and speaker. Representing the Boca faculty, principal Godwin gave a speech. They also brought along their own pep section. Two Boca cheerleaders, Kay Hardy and Diane Bernhardt, performed with several cheers.

Following the assembly the complete Boca cheering squad and their sponsor was visited by the BG squad for a spaghetti dinner before the game.

This custom will be an annual event with the schools rotating as hosts. It is hoped this will help establish a closer relationship between Belle Glade and Boca Raton.

Eddie Vandergriff, president of student council Mary Leigh Amerine, and Janice Blumenthal, two cheerleaders, will be guests at Forest Hill's first pep rally on Friday, September 23.

Each year when the Rams play Forest Hill several students from the visiting school go to the host school's pep rally. This tradition has been a part of the close relationship between Belle Glade and Forest Hill for several years.

Eddie will address their student body. The visiting Belle Glade cheerleaders will join with one of the Falcon cheerleaders for dinner that night. A staff member will accompany the students.

The officers for the year are Connie Van Camp, President; Diane Shiver, Vice-President; Melissa Hill, Secretary; Margaret Cross, Treasurer; Aggie Gressinger, Historian; Barbara Warren, Public Relations; Degrees Chairman; Sue Griffin, Recreational Chairman; and Lynda Sides, Filing Clerk.

Requirements for F. H. A. are one year of Home Economics or enrollment now. A "C" average should be maintained in school.

The purpose of the F. H. A. Club is to promote better family living in home-making.

New members who are interested in joining, should sign the sheet in the middle room of the Home Ec. department.

Mrs. Litchfield, the sponsor, will assist at all meetings which are held every 4th Monday night in the lecture room of the Home Ec. department.

Golden Rams Bomb Boca Raton, 25-12

After a 3-6 tie at half-time, the combination of Johnny Williams and Bryon Davis passed the Golden Rams to a 25-12 victory over Boca Raton.

Taking the opening kickoff, the Rams drove to the goal with Tommy Woods taking it in from the one. The conversion attempt failed.

Boca came back with 5:46 left in the second quarter when Zane Emerson scored on a 3 yard run. The run for the extra point failed.

The Williams to Davis drive with Terry Mann throwing the key blocks clicked for two of their three touchdowns in the third quarter.

Mickey McGahee plunged over for one of the extra points but the other failed.

Boca's Mike Hart scored the other Boca touchdown on an 18 yard run. The run for the extra point failed.

The final touchdown pass of 26 yards came with 4:18 left in the fourth quarter. The extra point attempt failed.

The victory gave the Rams a 1-0 record in the Suncoast Conference West Division.

The Beta Club will sponsor the victory dance after the Belle Glade-Pahokee game. They will also sponsor their annual St. Patrick's Day dance.

Mrs. Joan J. Lanier is the sponsor of the club. The officers are Mary Leigh Amerine, President; Janice Blumenthal, Vice-President; Dick Hooker President elect, Jo Ellen Hudspeth, Secretary; Margaret Thompson,

Shields demonstrated cheers from all over the country. The squad has two Seniors: Captain Mary Leigh Amerine and Janice Blumenthal, and six Juniors: Barbara Williams, Pam Whitlock, Kathryn Smith, Margaret Thompson, Jo Anne Harris, and Sandy Betts.

Barry College, located in Dade County will inaugurate its 26th year this fall with groundbreaking for a \$2 million library.

National Life Insurance Co. of Florida has passed the \$100 million mark in insurance in force. The company was formed in May of 1965.

Seventy-eight members attended the first meeting of Pep Club to make plans for this year's activities.

Officers were elected as follows: Kathy Barron, President; Connie Van Camp, Vice President; Carl Betts, Secretary; Aggie Gressinger, Program Chairman.

Plans are underway for making an are of two charge-

ing RAMS for the football team to run through. Each member is selling car tags. The tags are yellow with Belle Glade Golden Rams written in blue lettering.

All who are interested in joining Pep Club are invited to the pep club's meeting at 3:15 in the activity room.

Davis charges for final touchdown.

Beta Club Launches Plans

The first meeting of the Beta Club officers was held on Friday, September 2. Fund raising projects to send delegates to the state convention in Jacksonville were begun.

Monthly meetings for the club are held on the third Thursday at 7:30.

The Beta Club will sponsor the victory dance after the Belle Glade-Pahokee game. They will also sponsor their annual St. Patrick's Day dance.

Mrs. Joan J. Lanier is the sponsor of the club. The officers are Mary Leigh Amerine, President; Janice Blumenthal, Vice-President; Dick Hooker President elect, Jo Ellen Hudspeth, Secretary; Margaret Thompson,

Senior Testing Completed

Seniors breathe a sigh of relief as state wide Florida Placement Tests end.

All seniors are required to take the test consisting of five parts: aptitude, math, English, natural science, and social studies.

A score of 300 or more from a possible 495 is needed to even be considered for enrollment in any state university in Florida.

FHA and FFA Will Join In Activities

The Future Homemakers of America plan several activities with the Future Farmers of America.

One of the main events with F. F. A. will be the play "Women's Marriage" which is a comedy. It will be presented in the gym later in the year.

One of the highlights of the year will be the trip to the state fair.

The officers for the year are Connie Van Camp, President; Diane Shiver, Vice-President; Melissa Hill, Secretary; Margaret Cross, Treasurer; Aggie Gressinger, Historian; Barbara Warren, Public Relations; Degrees Chairman; Sue Griffin, Recreational Chairman; and Lynda Sides, Filing Clerk.

Requirements for F. H. A. are one year of Home Economics or enrollment now. A "C" average should be maintained in school.

The purpose of the F. H. A. Club is to promote better family living in home-making.

New members who are interested in joining, should sign the sheet in the middle room of the Home Ec. department.

Mrs. Litchfield, the sponsor, will assist at all meetings which are held every 4th Monday night in the lecture room of the Home Ec. department.

Will The Jinx Be Broken?

For the last two consecutive years, the Golden Rams have been defeated by the Forest Hill Falcons by a score of 6-0. Last year the Rams came within inches of scoring a touchdown, and a possible victory. Will the jinx be broken Friday, September 23, at the Forest Hill High School Stadium?

To start the game, Coach Burke has chosen Terry Mann, left end; Zane Miller,

left guard; Julio Perez, center; Wendell Wells, right guard; Larry Norman, right tackle; Bryant Davis, right end; Johnny Williams, quarterback; Eddie Prevatt, full back; Tommy Woods, half back; and, to wrap up the team, will be Mickey McGahee, tail back.

Also, Larry Norman, Bryant Davis, and Mickey McGahee will be the key players for the team. Team captains will be Larry and Bryant.

The team has good spirit but the only disadvantage to us is the fact that the Falcons will be able to pick out our faults, since they will have seen our first game," concluded Coach Burke.

Predicted score — Rams 7 — Falcons 6.

One of the major improvements made for our school this year has been the addition of new lights to the football field.

During the fall of 1964, strong hurricane winds caused one of the wooden light poles on the north side of the field to fall, and by its side to be damaged. As a result of this, three towering cement light poles have been put in place on the north side. These new poles were paid for by the stadium maintenance tax which is placed on each lot sold at football games, and is set aside for maintenance of the field.

The poles are eighty feet long. When they were put up, twenty feet were sunk into the ground making the poles sixty feet above ground. They hold many more lights than did the other poles, and will make the field much brighter.

Coach Bill Burke hopes that eventually the south side of the field will have lights to match these new ones.

Rams Backed By Pep Club

Seventy-eight members attended the first meeting of Pep Club to make plans for this year's activities.

Officers were elected as follows: Kathy Barron, President; Connie Van Camp, Vice President; Carl Betts, Secretary; Aggie Gressinger, Program Chairman.

Plans are underway for making an are of two charge-

ing RAMS for the football team to run through. Each member is selling car tags. The tags are yellow with Belle Glade Golden Rams written in blue lettering.

All who are interested in joining Pep Club are invited to the pep club's meeting at 3:15 in the activity room.

GOLDEN RAM ENDS AND FULLBACKS — Shown above are the ends and fullbacks of the Belle Glade High School Golden Rams. Left to right above are ends Jorge Campa, Steve McKinney, Terry Mann, Bry-

ant Davis, Quen Wilson and Greg Jones. Fullbacks are (in lower lineup) Tony Rodriguez, Ernest Sanchez, Eddie Prevatt, Freddie Whitlock and Jose Ortiz.

Rams' Passing Crushes Foes, 25-12

Kathy Smith Grand Champion In Her Division

Kathy Smith, daughter of Mr. and Mrs. George W. Smith recently participated in the Central Florida Baton Camp at Howey Academy. Over 300 girls from 13 states attended.

Placing first in her division, Kathy then was divided and won over all other, first place winners in the Intermediate Division to become Grand Champion. She also competed with other girls from her group in a Dance Twirl, large team and small teams, all of which won first place trophies. There were four groups that won first places. All the girls are under the instruction of Pat Anderson DeVos.

KATHY SMITH

Bryant Davis Is Named Top Offensive Player

Belle Glade High's Golden Rams' passing combine of Johnny Williams and Bryant Davis proved to much for the Boca Raton Bobcats as the local grid-ders battered the visitors, 25-12, here Friday night.

The Rams and Bobcats fought to a standstill during the first half, but the passing duo went to work in the second half, "thoroughly crushing the visiting eleven."

Davis scored three of his team's four tallies and his performance won for him the Palm Beach Post-Times player of the week nomination.

Tommy Woods scored on a plunge from the one in the first period to give the locals a six-point advantage. However, the visitors struck back in the second period, with Mike Hart and Zane Emerson furnishing the punch, to knot the score at 6-6 to end the scoring for the first half.

The Golden Rams will be going for their second victory of the current season as they face the Forest Hill eleven of West Palm Beach Friday night.

The Lake Shore Bobcats will be going against the Roosevelt High Blue Devils of West Palm Beach this week. The game will be played in Belle Glade. The Bobcats lost to Miami Mays last week, 38-20.

Two Live Bands At Teen-Town

Two live bands will furnish the music at Teen-Town Saturday night, Sept. 24 from 8 to 12 P. M.

This promises to be a big night for the younger crowd. The bands are "The Shantells" and "The Stubborn Kind."

Dress for the evening is casual wear.

There will be chaperones and advisors of Teen Town for the evening. The dance is for members of Teen Town and their guests.

Introducing two of the most radical changes in Volkswagen history. Can you spot them?

Did you notice that the headlights are vertical now instead of leaning back a bit? That doesn't make the car look any better. But it makes the road look better by making the lights a little brighter.

And that little hump in the back? We did that to hold the license plate up straight so the police can read it better. (Sorry.)

What you won't notice without driving the new model are the big improvements.

The engine has been enlarged to a ferocious 53 horsepower. That only adds 3 m.p.h. to the top speed. Because we put most of the additional power where it would make the engine accelerate faster, turn slower and last even longer.

Now that the VW is getting to be such a hot car, we put in a couple of things to slow it down.

Dual brakes.

The front wheel brakes are completely independent of the rear wheel brakes. So if you ever lost the front wheel brakes, you could still stop the back of the car. (Which automatically stops the front of the car too.)

The new VW also has seat belts, backup lights and recessed door handles as standard equipment. In fact, this year we made so many changes on the Volkswagen that we thought we'd better make one more.

We wrote "Volkswagen" on the back of the car to be sure everybody would know what it was.

Athletic Council Offers Apologies

Apologies are being offered this week to the general public by members of the Athletic Council.

Last Thursday night, the council held a benefit barbecue chicken supper at the high school cafeteria and sold more than the members anticipated.

The group served approximately 1000 people and ran out of chicken.

"We sold more than we had anticipated," said Dick Kargel, "and we wish to express our apologies to the public."

Thanks To... Sgt. Kargel

A community service was rendered by a Belle Glade police officer in a time of distress on Sunday, Sept. 11 to Mr. and Mrs. E. McDaniels, who had accompanied their daughters to Howey Academy.

They wish to offer sincere thanks to Sgt. Joe Kargel, identification officer on duty at the Belle Glade Police Station, who located them at Howey and relayed a death message.

The message was from Marianna, Florida, where Mrs. McDaniels' sister, Mrs. Zack Daniels had died suddenly. Sgt. Kargel made inquires and contacted them at once, thus saving seven hours time driving back to Belle Glade. They went on to Marianna and attended the services on Sept. 13, returning to Belle Glade Wednesday.

Elementary PTA County Council Delegate Named

The Belle Glade Elementary School held its first PTA meeting of the current school year in the school auditorium, Monday, Sept. 12. Mr. Lee Cranford, president presided. Mrs. Richard Murray led the devotion.

Nine delegates were elected to the PTA County Council. They were Mrs. Jane Harville, Mrs. Barbara Busbin, Mrs. Celia Echave, Mrs. Henriette T. Guerrero, Mrs. Terry Kirchman, Mrs. Sue Teets, Mrs. Nancy Boots, Mrs. Mary Jane Jones and Mrs. Sara Joyce Singleton.

Mrs. L. L. Price was introduced and told about the clothing center which she operates voluntarily in the basement of her home. She works through the Welfare, transient officer, police department, hospital, migrant camps and churches. Mrs. Price stated "she needed clothes for all ages especially for boys ages 5-10 years, and requested that anyone having clothes to donate to please contact her and she will pick them up or bring them to her home."

Membership information, Mrs. Sue Teets reported 102 members to date.

The new teachers, were introduced by Principal Carl Crawford and refreshments were enjoyed while everyone was getting acquainted.

Lee R. Kahle Adult Education Counselor

Mr. Lee R. Kahle has been designated Evening Counselor-Coordinator at Pahokee High School by Paul L. Phillips, Director of Adult Education. He will be in charge of scheduling and enrolling students in the evening Adult Education classes.

Mr. Kahle is also the Guidance Counselor at Pahokee High School. He has a Masters Degree from University of Michigan and is certified in Mathematics, Chemistry and Guidance. He will be on evening duty each Monday and Tuesday evening at the main office.

GETTING THE MOST OUT OF SCHOOL

As we move into the fourth week of the 1966-67 school year with eagerness and enthusiasm, let us strive to prepare ourselves to meet the demands required of the adults of tomorrow, you are blessed by the many opportunities for training in the many professions offered by Federal, State and private agencies. A good education is an absolute necessity. There is no getting around this. The better trained and informed you are the better it will be for you to fit into the adult world. In this day and era, there is a need for well trained and well qualified people at all levels of employment. A high school education is the basic step to anything better. If you plan to climb the ladder to success you must complete high school first. There is no legitimate reason or excuse any young person can give for failing to complete high school. Education is the backbone of our democ-

Assistant Principal
Mr. Oris W. Walker.

cratic way to life. More money is spent for education than for any other national project, including, national defense.

It is good to have parents, teachers, deans, counselors, principals, but you are solely responsible for your failure or success. Be resourceful, ambitious and strive for the better things in life. The most important things that an education should provide is: (1) learning to get along with others, (2) learning to communicate (speak, read and write), and (3) learning to think. If you obtained these, along with your diploma, you could not help but succeed in tomorrow's world.

Students Wanted!!!

All interested students who want to become a part of the Advertising Department of the Lake Shore Bobcats are to get in touch with Johnnie Lussane, Advertising Manager, on Thursdays, 3:30 P. M.-4:00 P. M., in Room B-2.

Girl Scout News

The Lake Shore High Senior Girl Scout Troop 194, would first of all like to give a hearty welcome to all newcomers to the Lake Shore Family, as well as the old.

The Senior Scout officially started their second year of operation on Sunday, September 11, 1966. Mrs. Effie Grear, Dean of girls at Lake Shore, is the advisor of the troop.

The officers and members are as follows: Troop Leader, Christine Sears; Assistant Troop Leader, Gloria Butts; Troop Senior, Catherine Lowe; Treasurer, Sharon Butts; Advisor, Mrs. Effie Grear.

MEMBERS: Sally Cameron, Lala Carrigan, Rudean Tyler, Daisy McCoy, Sandra Daniels. The plans of the Troop will be the same as the members are planning many projects to earn service bars. These bars can be earned through Community Service Project.

Projects some of the scouts will undertake for the year are:

1. Teacher's Aides
2. Hospital Aides
3. Library Aides
4. Child Care Aides
5. Office Aides

Troop 194 has chosen to be a Panorma Troop which means they will carry on a variety of activities during the year. Among the activities being considered by the entire troop are:

1. Homemaking
2. Etiquette
3. First Aid

The Troop expects to go camping at Girl Scout Camp Weika, at least once during the year and also plan to visit the State Fair in Tampa, sometime in February.

Any girls wishing to become a Girl Scout are invited to contact Senior Scout advisor, Dean Grear.

Gloria Butts

ROYALTY BESTOWED UPON SURPRISED JUNIOR

The Council was informed Wednesday, Sept. 14, 1966 that Elora Putnam, newly elected Miss Junior attendant to Miss Lake Shore High, for the year 1966-67 school year would not be returning to Lake Shore. Elora is attending one of the public schools in New York.

The title of Miss Junior attendant to Miss Lake Shore was bestowed upon Daisy McCoy, first runner up for the title of Miss Junior last spring.

Daisy, a native of Pahokee, Florida, is the daughter of Mrs. Lillie McCoy. Her hobbies are reading and sports. Daisy wishes to major in Business Education but she hasn't decided. Her Philosophy of Life is "Success Nothing Else."

As Miss Junior her intentions are "to try to fulfill the position and to do her best to make Lake Shore proud of her."

Barbara Finney

SENIOR RUN-DOWN

President, Marvin Glover; Vice President, John Ellison; Secretary, Mary Hill; Asst. Secretary, Lala Carrigan; Treasurer, Jerome Wilford; Parliamentarian, Charles Daniel; Reporter, Ralph Jasper; Chaplain, Rosa Byrd.

These students have been chosen for their ability to lead, and for the simple reason of being good classmates.

The Senior class of Lake Shore welcomes you back to another school year.

For the short period of time we've been in school, we realize that being a senior at Lake Shore isn't an easy task. We must do our best to be the type of senior that you want us to be.

We do our best not only for our instructors or our principal, but for ourselves.

Academically, we plan to top the previous senior classes at Lake Shore. We anticipate having over three-fourths of our classmates scoring three hundred or better on the senior test. We also plan to have more students on the honor roll.

With these plans in mind, we the Seniors or 67 will be the best class that ever graduated from Lake Shore Jr.-Sr. High School.

Ralph Jasper, Reporter

PUBLIC NOTICE

If you find a mistake in this paper please consider that it was put there for a purpose. We try to publish something for everyone, including those who are always looking for mistakes.

Lake Shore Bobcats Face Roosevelt High

The mighty Bobcats will again be challenged by a very bruising foe; this time it's the Roosevelt Devils of West Palm Beach.

The Devils didn't look too well last week tangling with Dillard who had a rookie team.

Now, let's see how the Bobcats are shaping up. Charles Haynes is at or should I say almost-at his peak in passing and running, but with Joe Shedy's and Charles Daniel's speed, he won't have to run very much. We must be able to look the mighty Bobcats forward wall which is almost impossible to penetrate.

Highlights Of The Junior Class

The Junior class is off to a successful bang this 1966-67 school term.

We have elected the following officers: President, Joseph Harper; Vice President, Eunice Irving; Secretary, Josie Brown.

The remaining officers will be elected at our next meeting. Our Junior sponsors are: Mr. Allen, Mrs. Roberts, Senor Pugh, and Mr. Williams.

We, as members of the present junior class, feel that we are outstanding and about being the best that will ever pass through the portals of old Lake Shore High.

Added to the Junior class this year are several new students and we would like to extend to them a hearty welcome.

The plans of the junior class are to present a Junior Class play, elect a Miss Junior and Attendants, and to begin preparations immediately for the "Junior-Senior Prom."

Maggie Smith

"Sophomore Goal"

This year the Sophomore Class is starting off on the right foot. They have elected their class officers for this term and they are very enthusiastic. Even though lost a few of our sophomores to Belle Glade, we are still capable of achieving our goal.

Our main objective is to become recognized by the upperclassmen as a vital organ of the Sr. High Department. The only way we can do this is to become an asset to them. We want to prove to everyone that the sophomores are as trustworthy and loyal as any senior.

Sophomores, as your President and a fellow sophomore, I have confidence in you. Don't let me down.

Sharon Butts

Student Council

By Vivian Berry
The Student Council of Lake Shore High School elected officers for the school year 1966-67 as follows: President, Barbara Ann Finney, Senior; Vice-President, Curtis Lee Jere, Junior; Secretary, Catherine Lowe, Junior; Treasurer, Vivian Berry, Junior. The members elected wish to express their gratitude to each member of the student body for having given them the chance to represent you as your Student Council executive staff for this school year.

The Student Council is organized to serve you by means of representing you. If any problems exist at Lake Shore High it is the responsibility of the Council to analyze and help find a way to solve the problems. Without your help this cannot be attained.

All students have as asset to the Student Council because our student body is the backbone to a better Student Council.

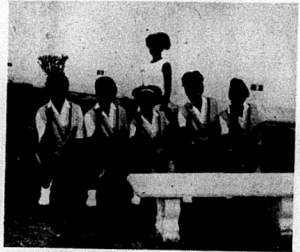

Whenever an activity is given let's support it, for this benefits us as well as the school we attend. Let's strive to make better and higher grades. But most of all let's make Lake Shore High the most progressive high school in Palm Beach County.

The major projects for this year are as follows: To keep accurate and up-to-date bulletin board, prepare for our homecoming parade, have more school assemblies, and plan a variety of wholesome night activities.

LET US STRIVE FOR HIGH STANDARDS AT LAKE SHORE JR.-SR. HIGH SCHOOL.

CHEERS!!

Band News

The Lake Shore High School marching Bobcats will make their first home appearance for the year of 1966-67 on the home field of the mighty Bobcats. When the mighty Bobcats take on the West Palm Beach Devils Sept. 23, 1966 the marching Bobcats will feature at half time a show entitled "Batman." The Lake Shore marching Bobcats will play and march to the tunes of 20th Century Fox, Greenway production of Batman followed by a wail, plot to blow him up. The band will then emerge into the formation of an explosive bomb with a burning fuse on the end torn by the majorettes.

The marching Bobcats will be playing two other Batman tunes which include, "My Fine Feather of a Flink," and "Batusi." The Batusi number will include a creative dance by the majorettes featuring Ruby Henderson II, and Helen Ray as solo twirlers.

Christine Sears
Ruby Henderson 1

CHEERS!!

Mrs. Williams is having a hard time choosing the starting cheerleaders for the 1966-67 Cheerleaders Squad. Due to the lack of experience in most of the girls, the following will participate in future games: Sandra Daniels, Junior; Charlie Jean Robinson, Sophomore; Mary Filpatrick, Sophomore; Jessie Tillman, Freshman; Constance Monson, Freshman. Rosalyn Thompson, an eighth grader, is the Business Manager for the 1966-67 Squad. Rah! Rah! for the girls.

Sandra Daniels

Rams Steal Bacon

On Sept. 16, The Mighty Bobcats of Lake Shore journey to Gouda, Florida to play the Mays Rams for their first game of the season. In the first quarter of the game Mays Rams scored on the Bobcats twice setting the score at 12-0. Then in the second quarter they scored again setting score at 16-0, at which time the Bobcats held until half-time.

In the third quarter of the game Jimmy Webb, Number 51, intercepted a pass from Mays and ran 45 yards to the five yard-line. Then Thomas McGrady scored the first touchdown for the Bobcats on a tackle pass. Roman Filpatrick scored the extra points. Charles Walker scored another touchdown for the Bobcats on a pass from quarter-back Haynes. The extra points were added by Fitzpatrick again.

In the fourth quarter Charles Haynes scored the last touchdown for the Bobcats. It was a hard game and the Bobcats fought hard to win, but failed to overcome Mays Rams with a final score of 20-38.

TALLAHASSEE — Hunters will have the opportunity to hunt wild hogs during two, managed three day long hunts on the Fish-eating Creek Wildlife Management Area in Glades County according to W. B. Copeland, Chairman, Game and Fresh Water Fish Commission. The managed hog hunts were established at a meeting of the Commission at Palm Beach on September 9. Hunters will be limited to one hog dog per vehicle. Hunts are scheduled for Oct. 28 through Oct. 30, and Nov. 5 through Nov. 6.

Jim Maynor Gives Conservation Talk

Jim Maynor, Democratic candidate for State Representative, Group Four, gave a nine-point program for conserving our natural resources from contamination by water and air pollution at a coffee Saturday. The affair was hosted by Mrs. J. E. Jones, 200 NW Ave. 1. Out of town guests for the occasion were Mrs. Maynor, Bill Miller, West Palm Beach, candidate for school board member, and Mayor and Mrs. E. Edwards of Lake Park.

sources available and Miss Misunas will be counselling concerning health needs. Need for volunteers was also stressed by Miss Taylor who said that anyone interested could call 996-2552.

Deborah Thomas Buried Tuesday

Funeral services were conducted for Deborah Thomas, 5, of 5832 Maypop Rd., West Palm Beach Tuesday afternoon at Lakeside Presbyterian church at 4 p. m. The child who died Saturday is the daughter of Mr. and Mrs. Ralph Thomas. Mr. Thomas is service man at the Bob Davis Buick Co., in Belle Glade.

Tillman Funeral Home, West Palm Beach was in charge of arrangements.

Birth Announcement

Mr. and Mrs. Wayne Bland Tillman's Trailer Park, Lot 9, Belle Glade announce the birth of a son, born Thursday, September 15, 1966. This is the couple's second son.

Concessions At Home Games Handled By JC's

The Belle Glade Jaycees, in answer to a plea from local school authorities, have taken over the operation of the concessions at all home football games.

Due to the high interest in local high school football, it has been difficult for the school to obtain volunteers from teachers and students to operate the stands. The operation of the stands was offered to the Jaycees who are allowed to keep 10% of the gross earnings. The remainder of the profits from the concessions will still go to the Teachers Scholarship Fund.

Doug Jones, president of the Jaycees, states that although the Jaycees cut will be small, compared to the man hours required, the club is happy to cooperate with the school and the athletic council and that the proceeds will be earmarked for the proposed clubhouse and beautification at the Jaycee little league ball park site.

Bob Pincannon, chairman of the concession committee, says that it requires about 16 persons to operate the concessions at a ball game judging from last week's experience, the average gross earnings of the concessions will amount to about \$750 per home high school game, he added.

Jones indicates that plans for the Jaycee clubhouse and ball park site beautification are being drawn and that the club plans to begin construction early next summer.

Dr. Baker (Continued From Page 1)

a member of the Elks Club. Dr. Baker is married and he and his wife, Margaret, have three children. A daughter, Beverly, lives in Los Angeles, Calif., and a son, Jim, is attending Mount Berry Academy in Rome, Ga. The youngest son, Gary, lives with his parents here.

Other officers named were Robert Mathews, first vice president, and Charles Royal, second vice president. Both of these men were re-elected to the posts.

Mrs. Violet Pelsing, who has been serving as acting executive Vice President was named Executive Vice-President during the session of the board on Tuesday night.

New board members elected to serve a three year term are Terry Kirchman, Robert C. Lee, Charles Leonard and Earl Tucker. Hold over members in addition to the officers include Charles Crisfield, Wayne Mikell, and Donald Fliehs, with two years to serve, and Ercel Mixson and John Schlechter, with one year to serve.

The new officers will be installed during the regular meeting of the Board of directors on October 4. The annual awards banquet of the chamber will be held on October 11.

Spt. Montalvo

At Academy

On Sunday, Sept. 11th, Sergeant Armando Montalvo left Belle Glade to continue his studies at Staunton Military Academy, in Virginia. He was selected to fill a key position for the 1966-67 period as Cadet Staff Sergeant for the Corps and member of the Medical Detachment.

year of successful operation. More than 1,500 persons related to Florida agriculture are there for fun and work.

More than 12 outstanding speakers will be featured at business sessions and special banquets. Representing Florida will be Doyle Conner, Commissioner of Agriculture, Fred O. (Bud) Dickinson, Florida State Comptroller and Ralph D. Turington, Florida House of Representatives.

New for the convention this year will be a workshop on mechanization which will be headed by William J. Miller, Belle Glade, General Manager of Sugar Cane Growers Cooperative of Florida.

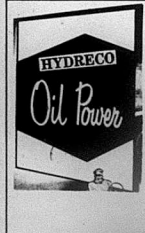

Representatives Speaker

Designate and 20-year senator, B. C. Pearce from Putnam County. Other speakers will bring the latest scientific knowledge to the convention ranging from soils to retail marketing.

New for the convention this year will be a workshop on mechanization which will be headed by William J. Miller, Belle Glade, General Manager of Sugar Cane Growers Cooperative of Florida.

Thank You for the vote of confidence you gave me on Tuesday. A special thanks to all of you who worked so hard in my behalf.

some new theory, workable and sound, to bring about a plan to really save mankind.

That the churches of the world have failed to convince their followers of the feasibility of peaceful settlements of economic and political problems, is an acknowledged fact, the spokesman said, therefore it will require examination of situations beyond and above the sectarian tenets of man to bring about this change in man's thinking.

Through this contest, aimed at obtaining thoughtfully conceived plans for attainment of a lasting peace, Lions International is offering the young people of the world their opportunity to answer a challenge to cure the world's ills of war. This challenge, however, is not one to be taken lightly. The young people who feel they can tribute something to the world's welfare and who are willing to not only think, but do the spade work necessary to present a plan which has not already been presented and found wanting, will have to do considerable research into the subject.

Libraries, the United Nations, the Lions Clubs themselves, are all sources of materials for research into this problem, but it will take hard work on the part of contestants to submit ideas which show depth of thought and sufficient interest in the subject matter to warrant consideration. The major part of the weight of judging will fall on the content of the essay. After that the organization, style, and the mechanics (grammar, spelling and punctuation) of the essay.

Belle Glade Lions Club looks forward to having the privilege of sending the work of some Belle Glade or South Bay young person to the district judging, with the hope that the work submitted will have sufficient merit to continue on upward through the various levels of the contest to the top, it was stated.
